Subject: US Edits and List of Open Issues

Joel, Dan and Celeste - I am attaching the latest US markup of the Consent Decree and our list of "open issues." The list identifies the proposed substantive changes to the Consent Decree (only a few remain) and offers some explanation for each. We would like to set up a call Monday, May 18th to discuss these and to finalize the Decree. David and I are available beginning at 10:00 a.m. and are open most of the day. We are still reviewing the Trust Agreement and plan to get you those comments by mid-week. Alan will be at trial Monday and Tuesday and won't have a chance to look at the Trust Agreement before Wednesday.

We look forward to finalizing this settlement!

Have a good weekend, Dianne
